**SHIPPERS EXPRESS**  
TRUCKLINES

*Here are 10 advantages our customers have experienced through leveraging our transportation services:*

- 1 HASSLE-FREE EXPERIENCE**  
We handle all communication with the shippers and receivers, creating a hassle-free experience for our customers and allowing them to focus on the other critical aspects of their business.
- 2 LOADS MANAGED FROM START TO FINISH**  
Whether it's scheduling a pickup or delivery appointment, we coordinate with retailers to handle all the arrangements so our customers don't have to.
- 3 ONE-STOP SHOP**  
For those needing additional services outside of transportation, our company offers warehousing, packaging, ecommerce, drop lots, and more. Utilizing our transportation service along with one or more of our other services saves customers significant time allowing them to communicate with one company for all their logistics needs.
- 4 CONVENIENCE**  
If the customer is utilizing both our transportation and warehousing services, their scheduling is handled all-in-one. Our warehouse and transportation departments can communicate, allowing changes and arrangements to happen quickly and conveniently.

As transportation experts, Shippers Express provides a seamless freight flow, saving you time and money. With Shippers Express, you gain a competitive advantage by streamlining your logistics—efficiently getting your product to its end consumer.

- 5 CUSTOM TMS WITH EDI INTEGRATION**  
Our TMS allows automated document flow, which speeds up the information exchange and enables faster order processing and shipment.
- 6 COMMUNICATION & RELIABILITY**  
Our customers receive regular updates on their shipments every step of the way. For customers also utilizing our warehouse services, we have real-time insight into the warehouse and system that allows us to communicate any changes immediately to minimize downtime.
- 7 MANAGEMENT TEAM**  
Customers can rely on our team's specialized logistics industry knowledge of over 25 years to solve problems before they even arise and create customized solutions that adapt to their individual needs.
- 8 LOWER RATES**  
Through our high volume, we have the buying power in the marketplace to offer customers negotiated lower rates, providing you with cost-savings.
- 9 HIGH SAFETY RATINGS & ON-TIME DELIVERY**  
Heavy screening processes are conducted with our carriers to ensure customer product arrives safely, on time, and damage-free.
- 10 FLEXIBILITY & SCALABILITY**  
Have a last-minute shipment pop-up? Order will not be ready in time for scheduled pickup? We have the flexibility to handle last-minute pick-ups or deliveries and adjust driver arrival times as needed. We are also equipped to handle and respond to demand and volume spikes to support and help our customers' growth.

Whether you are looking for ongoing service or provisional support nationally or regionally, our team of industry professionals is ready to provide you with a solution that not only fits your needs, but exceeds your expectations.
